## Patient Disclosure: Consulting Agreements with Orthopaedic Companies

**Dear Patient:**

**We would like to inform you that many of our physicians have consulting agreements with various orthopaedic companies.**

**Your doctor has been active in his career with research and development of new implants and improved surgical instruments and techniques. As part of this work, they have worked under contract with orthopaedic companies, providing consulting services on new products and input on research and development. In addition your doctor may have given instructional lectures on implants and surgical techniques for other doctors and medical personnel. In return for this time and expertise, your doctor may have been paid a consulting fee.**

**Our offices may use products from a company one of our doctor's is a paid consultant for in the care of our patients, but also may use similar products from other implant manufacturers. We want to assure you that the selection of which product to use in your care-and the care of all our patients-is based only on what is best for the patient, not on which company makes the product.**

**All of our Orthopaedic surgeons are members of the American Academy of Orthopaedic Surgeons, (AAOS) which holds its members to extremely high ethical standards to ensure that even the appearance of a conflict of interest does not jeopardize the trust that patients place in our doctors.**

**AAOS has adopted Standards of Professionalism that require orthopaedic surgeon members to identify and disclose potential conflicts of interest to their patients, the public and colleagues. These standards also clearly articulate how and under what circumstances AAOS members may work with and be compensated by industry, as well as the penalties for failure to comply.**

**You can learn more about these Standards of Professionalism at the AAOS website: <http://www.aaos.org/industryrelationships>**

**It is important to our office that you are aware of these relationships with implant manufacturers, that our office puts the interests of patients first, and that we are available to answer any questions that you may have.**

As Required by the Privacy Regulations Created as a Result of the Health Insurance Portability and Accountability Act of 1996 – (HIPAA)

**PLEASE REVIEW THIS NOTICE CAREFULLY.**

### A. OUR COMMITMENT TO YOUR PRIVACY

Our practice is dedicated to maintaining the privacy of your individually identifiable health information (IIHI). In conducting our business, we will create records regarding you and the treatment and services we provide to you. We are required by law to maintain the confidentiality of health information that identifies you. We also are required by law to provide you with this notice of our legal duties and the privacy practices that we maintain in our practice concerning your IIHI. By Federal and State Law, we must follow the terms of the notice of privacy practices that we have in effect at the time.

We realize that these laws are complicated, but we must provide you with the following information:

- How we may use and disclose your IIHI
- Your privacy rights in your IIHI
- Our obligations concerning the use and disclosure of your IIHI

**The terms of this notice apply to all records containing your IIHI that are created or retained by our practice. We reserve the right to revise or amend this Notice of Privacy Practices. Any revision or amendment to this notice will be effective for all of your records that our practice has created or maintained in the past, and for any of your records that we may create or maintain in the future. Our practice will post a copy of our current Notice in our offices in a visible location at all times, and you may request a copy of our most current Notice at any time.**

### B. IF YOU HAVE QUESTIONS ABOUT THIS NOTICE, PLEASE CONTACT:

Michigan Orthopaedic Institute, P.C.  
26025 Lahser Road, 2<sup>nd</sup> Floor  
Southfield, MI 48033  
(248) 663-1907

### C. WE MAY USE AND DISCLOSE YOUR INDIVIDUALLY IDENTIFIABLE HEALTH INFORMATION (IIHI) IN THE FOLLOWING WAYS:

The following categories describe the different ways in which we may use and disclose your IIHI.

1. **Treatment.** Our practice may use your IIHI to treat you. For example, we may ask you to have laboratory tests (such as blood or urine tests), and we may use the results to help us reach a diagnosis. We might use your IIHI in order to write a prescription for you, or we might disclose your IIHI to a pharmacy when we order a prescription for you. Many of the people who work for our practice—including, but not limited to, our doctors, nurses, medical assistants, office staff, medical students, and residents—may use or disclose your IIHI in order to treat you or to assist others in your treatment. Additionally, we may disclose your IIHI to others who may assist in your care, such as your spouse, children or parents. Finally, we may also disclose your IIHI to other health care providers for purposes related to your treatment.
2. **Payment.** Our practice may use and disclose your IIHI in order to bill and collect payment for the services and items you may receive from us. For example, we may contact your health insurer to certify that you are eligible for benefits (and for what range of benefits), and we may provide your insurer with details regarding your treatment to determine if your insurer will cover, or pay for, your treatment. We also may use and disclose your IIHI to obtain payment from third

parties that may be responsible for such costs such as family members. Also, we may use your IIHI to bill you directly for services and items. We may disclose your IIHI to other health care providers and entities to assist in their billing and collection efforts.

3. **Health Care Operations.** Our practice may use and disclose your IIHI to operate our business. As examples of the ways in which we may use and disclose your information for our operations, our practice may use your IIHI to evaluate the quality of care you received from us, or to conduct cost- management and business planning activities for our practice. We may disclose your IIHI to other health care providers and entities to assist in their health care operations.
4. **Appointment Reminders.** Our practice may use and disclose your IIHI to contact you and remind you of an appointment.
5. **Treatment Options.** Our practice may use and disclose your IIHI to inform you of potential treatment options or alternatives.
6. **Health-Related Benefits and Services.** Our practice may use and disclose your IIHI to inform you of health-related benefits or services that may be of interest to you.
7. **Release of Information to Family/Friends.** Our practice may release your IIHI to a family member, friend or other person that is involved in your care, or who assists in taking care of you. For example, a parent or guardian may ask that a babysitter take their child to the pediatrician's office for treatment of a cold. In this example, the babysitter, the person who accompanied the child, may have access to this child's medical information.
8. **Disclosures Required By Law.** Our practice will use and disclose your IIHI when we are required to do so by Federal, State or Local Law.

#### **D. USE AND DISCLOSURE OF YOUR IIHI IN CERTAIN SPECIAL CIRCUMSTANCES**

The following categories describe unique scenarios in which we may use or disclose your identifiable health information:

3. **Lawsuits and Similar Proceedings.** Our practice may use and disclose your IIHI in response to a court or administrative order, if you are involved in a lawsuit or similar proceeding. We also may disclose your IIHI in response to a discovery request, subpoena, or other lawful process by another party involved in the dispute, but only if we have made an effort to inform you of the request or to obtain an order protecting the information the party has requested.

  7. **Research.** Our practice may use and disclose your IIIHI for research purposes in certain limited circumstances. We will obtain your written authorization to use your IIIHI for research purposes except when an Internal Review Board or Privacy Board has determined that the waiver of your authorization satisfies the following: (i) the use or disclosure involves no more than a minimal risk to your privacy based on the following: (A) an adequate plan to protect the identifiers from improper use and disclosure; (B) an adequate plan to destroy the identifiers at the earliest opportunity consistent with the research (unless there is a health or research justification for retaining the identifiers or such retention is otherwise required by law); and (C) adequate written assurances that the PHI will not be re-used or disclosed to any other person or entity (except as required by law) for authorized oversight of the research study, or for other research for which the use or disclosure would otherwise be permitted; (ii) the research could not practicably be conducted without the waiver; and (iii) the research could not practicably be conducted without access to and use of the PHI.
  8. **Serious Threats to Health or Safety.** Our practice may use and disclose your IIIHI when necessary to reduce or prevent a serious threat to your health and safety or the health and safety of another individual or the public. Under these circumstances, we will only make disclosures to a person or organization able to help prevent the threat.

  12. **Workers' Compensation.** Our practice may release your IIIHI for workers' compensation and similar programs.

## E. YOUR RIGHTS REGARDING YOUR IIIHI

You have the following rights regarding the IIIHI that we maintain about you:

1. **Confidential Communications.** You have the right to request that our practice communicate with you about your health and related issues in a particular manner or at a certain location. For instance, you may ask that we contact you at home, rather than work. In order to request a type of confidential communication, you must make a written request to the **Michigan Orthopaedic Institute, P.C.** office that is providing you services, specifying the requested method of contact, or the location where you wish to be contacted. Our practice will accommodate reasonable requests. You do not need to give a reason for your request.
2. **Requesting Restrictions.** You have the right to request a restriction in our use or disclosure of your IIIHI for treatment, payment or health care operations. Additionally, you have the right to request that we restrict our disclosure of your IIIHI to only certain individuals involved in your care or the payment for your care, such as family members and friends. **We are not required to agree to your request;** however, if we do agree, we are bound by our agreement except when otherwise required by law, in emergencies, or when the information is necessary to treat you. In order to request a restriction in our

use or disclosure of your IIIHI, you must make your request in writing to the **Michigan Orthopaedic Institute, P.C.** office that is providing you services. Your request must describe in a clear and concise fashion:

- (a) the information you wish restricted;
  - (b) whether you are requesting to limit our practice's use, disclosure or both; and
  - (c) to whom you want the limits to apply
3. **Inspection and Copies.** You have the right to inspect and obtain a copy of the IIIHI that may be used to make decisions about you, including patient medical records and billing records, but not including psychotherapy notes. You must submit your request in writing to the **Michigan Orthopaedic Institute, P.C.** office that is providing you services in order to inspect and/or obtain a copy of your IIIHI. Our practice may charge a fee for the costs of copying, mailing, labor and supplies associated with your request. Our practice may deny your request to inspect and/or copy in certain limited circumstances; however, you may request a review of our denial. Another licensed health care professional chosen by us will conduct reviews.
4. **Amendment.** You may ask us to amend your health information if you believe it is incorrect or incomplete, and you may request an amendment for as long as the information is kept by or for our practice. To request an amendment, your request must be made in writing and submitted to **Michigan Orthopaedic Institute, P.C.** You must provide us with a reason that supports your request for amendment. Our practice will deny your request if you fail to submit your request (and the reason supporting your request) in writing. Also, we may deny your request if you ask us to amend information that is in our opinion: (a) accurate and complete; (b) not part of the IIIHI kept by or for the practice; (c) not part of the IIIHI which you would be permitted to inspect and copy; or (d) not created by our practice, unless the individual or entity that created the information is not available to amend the information.
5. **Accounting of Disclosures.** All of our patients have the right to request an "accounting of disclosures." An "accounting of disclosures" is a list of certain non-routine disclosures our practice has made of your IIIHI for non-treatment, non-payment or non-operations purposes. Use of your IIIHI as part of the routine patient care in our practice is not required to be documented. For example, the doctor sharing information with the nurse; or the billing department using your information to file your insurance claim. In order to obtain an accounting of disclosures, you must submit your request in writing to the **Michigan Orthopaedic Institute, P.C.** office you are receiving services from. All requests for an "accounting of disclosures" must state a time period, which may not be longer than six (6) years from the date of disclosure and may not include dates before April 14, 2003. The first list you request within a 12-month period is free of charge, but our practice may charge you for additional lists within the same 12-month period. Our practice will notify you of the costs involved with additional requests, and you may withdraw your request before you incur any costs.
6. **Right to a Paper Copy of This Notice.** You are entitled to receive a paper copy of our notice of privacy practices. You may ask us to give you a copy of this notice at any time. To obtain a paper copy of this notice, contact the **Michigan Orthopaedic Institute, P.C.** office you are receiving services from.
7. **Right to File a Complaint.** If you believe your privacy rights have been violated, you may file a complaint with our practice or with the Secretary of the Department of Health and Human Services.
